

# 2019-2020 Ector County ISD On-Line Athletic Paperwork Instructions

We would like to thank you for taking part in our process for collecting athletic participation forms. This automated process will allow us to be more efficient in collecting the required forms while conserving valuable resources. All forms will be submitted electronically except for the Ector County ISD Pre-participation Physical Evaluation Form. ECISD requires an annual physical examination and all ECISD/UII forms to be completed prior to participation in any practice, scrimmage or contest before, during or after school, including an athletic period.

Ector County ISD Pre-participation Physical Evaluation forms will still be collected in hard copy form with an original doctor's signature. These forms are available at the Athletic Office or on-line at this site under "Download and Print."

The on-line information is accessible via your computer, tablet or smart phone.

Go to the following link: You will need a QR Reader and it will take you directly there.

Once you are there:

1. Register your information
2. Verify your information; it will send you a verification email that you provided when registering.
